Privilege of the Floor: Paul DuFlo read the following statement: "Good evening, I have been asked in writing by the Town Board to make a public declaration with respect to a visit to Carlton Island on July 20 of this year. Here it is. As the newest voting member of the Planning Board I've engaged in many new tasks. I believe that as part of my orientation, I needed to learn more about Carlton Villa. All Planning Board members, save me, have been previously invited by the Developer prior to my term to visit Carlton Villa. Yet all Board members,save me, decline to visit neighboring stakeholders adjacent properties. I believe at least one Planning Board member needed to hear the viewpoint of other stakeholders. My sole intention was to become better informed on both sides of the matter."

Approval of Minutes: Board members on a motion by Dr. Giaquinto and seconded by Mr. White approved as written the minutes of the August 12, 2026 meeting with a unanimous vote.

Old Business: None

New Business: None
